HOW ENGAGEMENTS WORK

Technical Consulting	Custom Software Development
Minimum 10 hours · $1,500	**Minimum 30 hours · $4,500**
01 Discovery Investigate goals, issues, and constraints.	**01 Discovery** Define requirements, feasibility, and scope.
02 Implementation Assess, advise, or deliver agreed improvements.	**02 Implementation** Design, build, integrate, and test.
03 Handoff Validate results and transfer knowledge.	**03 Launch** Deploy, validate, and hand over.
04 Support Ongoing guidance and technical assistance.	**04 Support** Maintenance, fixes, and enhancements.

Minimum commitments are not full project estimates. Final costs based on scope. Discovery is paid; each phase is estimated and authorized separately.

ONGOING RETAINERS

Service	Monthly commitment
Technical consulting	8 hours · $1,200
Custom software development	8 hours · $1,200
